Founded in 1957, the BCMA has over 400 members across the province ranging from major museums and historic and heritage sites, to independent galleries, and community archives. We connect and support their professional staff, trustees and passionate volunteers. We honour excellence, inspire innovation, support professional development, and we advocate on behalf of the sector to build recognition and support stability and growth.

Membership is available to organizations and individuals, with benefits designed specifically for each membership category. Visit [museumsassn.bc.ca/members/become-a-member](http://museumsassn.bc.ca/members/become-a-member) for an outline of each category and the corresponding membership benefits.
