

News Release

For Immediate Release
June 25, 2015**Summer Kids' Club at the Mission Museum!**

Mission, BC - Looking for something for the kids to do this summer? Bring them to the Mission Museum where they can discover the joy of history! The Mission Museum is proud to host our annual Kids' Club program on Fridays through July and August.

This year, kids can explore the famous Mission Soapbox Derby in **Derby or Bust!**, churn butter and do laundry like the pioneers of Mission in **Little House on the Flats**, learn the skills of hand and machine sewing in **Quilting Bee**, recreate the story of the infamous Billy Miner and the Great Train Robbery in **Hands Up!**, write a letter with quill and ink, and seal it with wax in **Signed, Sealed & Delivered**, make Medicine pouches and ceremonial talking sticks in **People of the River**, experience other rich cultures in **Multicultural Mission**, and have some old-fashioned fun with **Pioneer Games** like hopscotch, kick the can and potato-sack racing!

Children ages 6-10 are welcome to join us at the Museum every Friday from 1-3pm for a 2-hour session of activities, crafts and stories while exploring Mission's history. Parents are not required to stay. Cost is \$8 per child per session or \$60 for all 8 weeks; if you register for the whole summer, your child will get a free t-shirt! Pre-registration and pre-payment are preferred. Private group bookings are also available on alternate days.

We are also looking for volunteers to assist with this program – it's a fun way to give back to the community! Please note that you will be required to pass a criminal record check prior to volunteering.

Summer is fast approaching so do not miss the opportunity to bring your kids to a fun-filled historical experience! For more information or to register, call Community Programs Coordinator, Oana Salcescu, at 604-826-1011, email info@missionmuseum.com, or visit our website at www.missionmuseum.com. You can also drop by the Mission Museum, located at 33201 2nd Ave., during our extended summer open hours: 10am-4pm, Wednesday-Friday, and 1pm-4pm on Saturdays.

The Mission Museum is located in Mission City, BC, Canada. We are dedicated to upholding the goals of the Mission District Historical Society through "Recording our History, Educating the Community, Preserving our Heritage."
