**Leave your mark!**

**The Lake Country Art Gallery is looking for youth between the ages 13 to 18 who are interested in participating in the “Keep it Real: Sidewalk Paint Project”.**

**This event will bring together youth and practicing artists who will provide mentorship and guidance.**

**By working together, youth and professional artists can create a cohesive message that is not only a work of art, but a reflection of who we are and how we are doing as a community.**
