This Mother's Day bring the whole family to the historic Fintry Estate for the Fintry Spring Fair.

Located on the beautiful shore of Okanagan Lake, take the day to savour this lovely outdoor setting and partake in good food and music along with games and crafts for the kids, face painting and a bouncy castle.

There will be a number of talented craftsmen selling their wares, admire Micah Rattink's Dawnfire Forge blacksmithing demonstrations, visit Okanagan Spirits special showcase booth, listen to the Kalamalka Highlanders Pipes and Drums, purchase a wide variety of bedding plants and cool off "a la mode" courtesy of the North Westside Firefighters!
