Friday August 12-Brandon Schmor <https://www.facebook.com/MackieLakeHouse>

For a magical summer evening experience the **Music at Mackie** Summer Concert Series on Friday August 12 with Brandon Schmor. Brandon developed his technique and signature playing style with inspiration from other artists and the piano itself. His first piano produced a twangy saloon piano tone and this "Honky-Tonk" sound became the foundation of his musical style. Brandon's performances meld elements of wild Jerry Lee Lewis style boogie, with timeless blues, jazz and classic rock to create a lively show for everyone to enjoy.
