## First Annual Creatives Holiday ART Party Presented by ARTSCO and Creative Okanagan

**(Kelowna, BC)** Creatives in the Okanagan are in for a treat this holiday season. The Arts Council of the Central Okanagan has joined forces with Creative Okanagan to create a unique celebration and networking event for arts professionals in the Valley.

On November 29, 2016, from 4:30 - 6:30 pm, members of the Central Okanagan arts community are invited to Wine and Art Kelowna for the First Annual Creatives Holiday ART party.

Unlike so many other industries and professions, arts professionals have very few social and networking opportunities. This holiday celebration is the perfect opportunity to informally connect into creative hubs, share challenges and successes, and build relationships, all in support of collaboration and learning across the arts community.

Attendees will be informally presented with upcoming programming insights for 2017 from arts organizations from across the Okanagan, while having fun and celebrating our successes in 2016.

The event tickets are \$15 and includes your first drink, appetizers and sweet treats. To purchase a ticket, go to: [https://wa-kelowna.com/store/?model\\_number=Creatives-Holiday](https://wa-kelowna.com/store/?model_number=Creatives-Holiday). ARTSCO members who book their ticket before November 20th get \$5 with code: ARTSCO.
