Manager: Lake Country Museum and Archives

The Museum and Archives is looking for a self-directed individual with good supervisory and training skills. Excellent interpersonal and communication skills are a requirement. Grant writing and project management skills are an asset. The position is sixteen hours a week.

The Museum and Archives is a non-profit society located in Lake Country. With the exception of the Manager, the operations of the society are run by society volunteers. The position reports to the President of the LCMA Board.

Please send cover letter and resume with references by email to:
