

... a great place to live, work & play

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The Corporation of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

Media and Content Developer (film/video)

The Delta Museum is moving to a new museum facility in 2018. During the summer of 2017, museum staff will be working to prepare the new facility for opening and develop resources for museum public programs and exhibits. One key component of this work will be the development of video content to use as an integral part of public and school programming, in museum exhibits, to promote the museum prior to opening, and to celebrate Canada's 150th anniversary.

We are looking for a creative individual to develop a series of short films about Delta's history that tie in with established themes for the new museum facility and celebrate the people of Delta, now and in the past. The Media and Content Developer (film/video) will plan and execute the production of these videos, including research, script writing, filming, and editing. This position will also be given opportunities to assist in other areas of museum development, creating digital and print media content for exhibits, programs, and marketing purposes.

Individuals with a strong understanding of the film production process will be given the opportunity to acquire practical experience in the following skill areas:

- Film production
- Archival research
- Interpretation and education
- Marketing and graphic design
- Project planning and time management

Qualifications:

- Must meet the requirements of the Young Canada Works program. Must be between the ages of 16 and 30 and a full-time student returning to studies in the fall.
- Enrolled in a recognized program for Film Production, Digital Design, Media Arts, or similar.
- Demonstrated familiarity with film production process, including use of editing software
- Creative
- Excellent written and oral communication skills
- Able to work independently and as part of a team
- Demonstrated time management skills and independence once given a task
- Demonstrated experience with photography, graphic design, or animation preferred.
