

Not Accepted into Collection

	Artifact	Date	Description	Condition
1	Lamp	Circa 1900	Dark-coloured lampshade, multicoloured beaded fringe, and polished wooden base. It's electric and the lampshade is severely damaged on one side and within the interior.	Poor – significant damage to the back of the lamp, very fragile fabric, likely non-functional
2	Newspapers	1962	A stack of The Vancouver Sun newspapers ranging from approximately April to November 1962.	Varying conditions – generally some water damage, some ripped and frayed, but still legible.
3	Straight Razor		Scalpel Stainless straight razor.	Intact, no rust. Handle/scale is bent.
4	Razors (x3)	1920-1940s	1. Pal Brand, made in Germany (circa 1920-30s) 2. Atlas, made in Germany (circa 1920-30s) 3. Browns Clipper, Birmingham England (1939)	All complete, functional, no significant damage.
5	Clock	Pre-1980	A Westclox Oracle clock, made in Canada. 115 volts AC, 60 cycles 2 watts.  <a href="https://clockhistory.com/westclox/company/canada/">https://clockhistory.com/westclox/company/canada/</a>	Damaged surface (cracks and scratches), non-functional
6	Dustpan		Black metal dustpan.	Some rust and corrosion.
