

## JOB DESCRIPTION

### **Art Instructor**

As the principle art gallery of the Southern Interior, the Kamloops Art Gallery brings art, artists and communities together.

**Principle Responsibility:** The Art Instructor provides a standard of excellence in the facilitation of school and studio programs on- and off-site by conducting art-making workshops and guided exhibition tours.

### **Primary Duties and Responsibilities**

- In consultation with the Education and Public Programs Director, developing and facilitating art programming for all ages and abilities
- Assist guest artists and facilitators with workshops
- Engage participants of all ages and abilities to provide them with an educational and enjoyable art experience
- Developing visitors' knowledge of exhibitions through tours as needed
- Ensuring the safety and security of all program participants
- Ensuring the safety, security and maintenance of the works in the exhibition, while conducting tours in the Gallery
- Organizing and cleaning the studios before and after each workshop
- Organizing and monitoring supplies for workshops

### **Qualifications**

- Ability to contribute to the development of art programming
- Innovative and responsive
- Experienced working with children and youth
- Demonstrated leadership qualities
- Excellent communication skills
- Ability to work well in a team
- Positive role model for children and youth

**Reports to:** Education and Public Programs Director
