An **ekphrastic poem** is a vivid description of a scene or, more commonly, a work of art. Through the imaginative act of narrating and reflecting on the “action” of a painting or sculpture, the poet may amplify and expand its meaning.

Dedication, practice, time...these three words are the foundation of this exhibition. I have known Earl, Griffin, Huey-Heck and Waite for 25 plus years. An Ekphrastic Poem is an acknowledgment to the life of an artist.
